

Dear Stakeholder:

The recent U.S. Supreme Court decision offers states unique opportunities to reform their Medicaid programs. AHCCCS is hosting community meetings across the state to provide the public with information about some of the potential options regarding the future of Arizona's Medicaid program.

These sessions will also provide the opportunity for AHCCCS to hear from stakeholders, including members and their families, advocates and providers. Space is limited so please RSVP to AZfuture@azahcccs.gov and indicate which session you will be attending.

If you can't attend one of the meetings, you can still provide input by e-mailing AHCCCS at: AZfuture@azahcccs.gov.

More information is available on the website at:
